POST ENTRIES (ACCEPTED ON A VERY LIMITED BASIS)

Please remember due to current COVID-19 procedures, management is trying to give exhibitors accurate showing times. Post entries, late and same day adds create the biggest challenge for giving accurate information when additional rounds cannot be predicted after closing dates. Post entries MAY be accepted at the sole discretion of management before any scheduled class that is scheduled in a ring that has not reached the limit capacity unless otherwise indicated. Entries not adhering to the entry procedure above will be post and will pay a \$25 post fee. Post entries are meant to be a deterrent to being late. They are not just a way for the show to make money. Closing date is November 13th, 2020.

SAFE SPORT

All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. In addition each horse regardless of whether the owner is a current member of the USEF or USHJA must pay a \$75 horse registration fee to the USHJA. Forms will be available in the office. You can go to www.ushja.org for more information. Those exempt from these fees are listed in GR901.9 1-9. (Exception: USEF Opportunity and Academy Classes and Local rated competitions)

Please remember that showing in Florida heat is very taxing on your body. Please make sure that you take this under consideration when making this decision. Please stay extra hydrated and wear devices (if you so choose) that do not contribute to heat-related illnesses such as Heat Exhaustion or Heat Stroke.

AIR VESTS

Air vest are allowed (and encouraged) in all disciplines. For Hunter and Equitation Classes Judges are instructed not to deduct points for the use of air vest worn over coats. Please note that the show will not be delayed in order to reset air vests. Riders who choose to wear air vests are therefore strongly encouraged to have spare equipment (air canisters, tethers and entire vests) so that vest that have been inflated can quickly be returned to their operation. Please look for air canister recycling containers located at participating Air Vest vendors.

COMPETITION FEES

GR208.1 Competition Fees. For every horse participating in any competition licensed by the Federation, a \$23 Federation fee will be collected (\$15 Equine Drugs and Medication fee to provide for research, inspection, and enforcement of rules regarding use of medications and drugs; see GR407.1, .2 and .3). Exception: Horses entered in classes exempted from the Equine Drugs and Medication fee are also exempt from the balance of the Federation fee. A \$7.00 Zone Support Fee per horse entered at National & Premier. An IHP fee of \$35 will be charged to each horse showing in any Computer Ranked Grand Prix.

JUMP ORDER

In order to give riders the best estimated times of when they will compete, management intends to designate an order of go for all over fences rounds. All orders will be posted online at least 30 minutes before the class and the one minute rule will be in effect. Riders that foresee conflicts must communicate with the ingate personnel involved. Do not rely on radio contact only! Riders are forewarned that the show will not be held up because of trainer conflicts. After order of go in any class is posted there will be no refunds allowed. Jumper classes with posted orders will use the following procedure in accordance with JP112.2: the horses names drawn individually, starting from the first position and then down. Please note that we will be opening up parts of the Showgroundslive software that allows for participants to sign up for order assignments by time designation the day before the class. We will be sending out tutorial information on this feature and it will also be posted on our website.

MEDICAL WASTE & SHARPS

In accordance with the 1989 Federal Waste Tracking Act which restricts the disposal of medical waste, Bio Hazardous Medical Waste Containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste. Sharps will be placed in sharp containers provided. Anyone found discarding sharps in any other manner will be fined up to \$250 per instance and held responsible for any fines or expenses incurred by management. Violations to this rule will be dealt with very seriously. Improper disposal of sharps poses a serious health threat to anyone who may come in contact with it. Please make sure that anyone who handles these sharps on your behalf are aware of the responsibility involved. Neither ignorance or language will excuse fine enforcement. If you need additional containers or any assistance with the disposal of sharps, please ask the office or a member of the staff. Thank you for your cooperation.

We do not allow any sort of manual poling or poling of any type on the competition show grounds.

Please be advised that exposed hoods of any kind are prohibited.

Formal Jumper Attire

Dark, muted or similar colored, or red (scarlet) coats are required; white or fawn breeches; a white tie or choker (unless the shirt by design has the choker built in for its intended use) or hunting stock, and a white or lightly colored shirt must be worn. Half chaps are permitted as long as the color matches the paddock boots being worn. Members of the Armed Services or the police may wear the service dress uniform with protective headgear (See General Rules, GR 801.2).

Classes requiring Formal Attire are any Grand Prix or Special classes offering at least \$25,000 in prize money.

Proper Jumper Attire

Coats of any color are required. Breeches must be a light color (white, fawn or canary). Pastel and dark colored breeches are not allowed. Shirts, light in color, must be tucked in and fastened at the top of the neck. Ties or chokers of any color must be worn (unless the shirt, by design, has the choker built in for its intended use). Boots are required. Half chaps are permitted as long as the color matches the paddock boots being worn.

ZONE 4 CHILD/ADULT AMATEUR 2'6"/3' TEAM HUNTER CHALLENGE

ENTRY FEE: \$75 per Rider

SPECIFICATIONS:

I. The Team Challenge is open to Adult Amateur Hunter/ Children's Hunter/ Low Adult Hunter/ and Low Children's Hunter riders who are already competing at Zone Finals to give them an opportunity to experience a fun team competition.

II. ELIGIBILITY - 1. The rider must be a USHJA Zone 4 member in good standing. 2. Eligibility for the divisions follows Zone 4 specifications. <https://www.ushja.org/zones-affiliates/zone-4/specifications>

III. QUALIFYING PROCEDURES - Riders do not have to apply prior to the show. Riders must enter the Zone 4 Hunter Team Challenge by 3 PM on Friday in order for management to draw teams. The entry fee for the Challenge is \$75.

IV. NUMBER & COMPOSITION OF TEAMS - Teams are determined by random draw, and are made up of a maximum of four (4) and minimum of three (3) horse and rider combinations. Ideally, teams will be comprised equally of 3' and 2'6" riders until all spaces are filled. Management has the final decision on the composition and combination of the teams. Teams will be identified by color (red team, blue team, etc.), and the option to braid in colored yarn or other team spirit is encouraged and will not be penalized in the rider's regular division.

V. TEAM CHALLENGE MEETING- There will be a team challenge meeting that is mandatory for all riders on Friday evening. Teams will be announced and questions answered. Riders are then invited to socialize and get to know each other at the show party that evening.

VI. TEAM CHALLENGE FORMAT AND SCORING:

Day One- Team Challenge Riders will compete in their regular division classes on Day One. Each rider will be given a numerical score in each of their regular division two over fences classes on Day One, and those numerical scores will be added together to determine their Team's Score from Day One. Four-member teams will drop their lowest scoring rider from each class. Three-member teams will drop the lowest scoring rider from each class and double the second lowest scoring rider's score. This will ensure that all teams have the benefit of a dropped score.

Day Two- On Day Two, the top six (6)- eight (8) teams with the highest Team Scores from Day One are invited to compete in the Final Round. Order will be drawn within each height section. Each rider will compete over one Classic style round at their respective height. Numerical scores will be given to each rider in the Final Round. The score given to the highest scoring rider from each team will be doubled and then added to the Team Score from Day One to determine the Team's Final Overall Score for the purpose of awards. The Awards presentation will immediately follow the conclusion of the Final Round on Day Two. Riders may complete their regular division classes as scheduled at the conclusion of the awards presentation.

VII. OVERALL TEAM CHAMPIONS - The Team Champion is the Team with the highest Total Score after the Final Round. In the case of a tie for any top-six overall team placing, the team with the single highest score from the Final Challenge Round will break the tie.

VIII. HIGH SCORING AMATEUR AND JUNIOR RIDERS - The one amateur rider and one junior rider who receive the highest total combined score from the three phases will be named High Scoring Amateur and High Scoring Junior riders of the Challenge. For the purpose of determining the high scoring amateur and junior rider, scores from the Final Round will not be doubled. In the case of a tie, the rider with the highest score from the Final Challenge Round will be the tie breaker and will be named the High Score rider.

IX. AWARDS - Ribbons 1-6 to Teams Overall. Coolers to the Champion Team. High Scoring Amateur rider and High Scoring Junior rider will receive embroidered coolerettes.

The saddle developed with one of the idol in the equestrian sport: **Meredith Michaels Beerbaum**. The restyle of its minimal and elegant trait is enhanced by an even more extraordinarily comfortable seat which, thanks to its unisex effect, supports the anatomy of both sexes, making the saddle even more comfortable for female riders.

EQUESTRIAN AID FOUNDATION

Horsemen Helping Horsemen

Since its inception in 1996 as the Equestrian AIDS Foundation, EAF has evolved its grassroots mission of Horsemen Helping Horsemen to meet the emergent and critical needs of the equestrian community—from catastrophic illness and injury support to natural disaster relief to assistance during the COVID-19 pandemic.

As we begin our next 25 years of service, we thank our friends from the **South Florida Hunter Jumper Association** and beyond who have been with us every stride of the way. We're here for you, we're here because of you.
